DUCHESNE SIDING, SOFFITS, TRIMS AND ACCESSORIES HAVE BEEN SATISFYING PROFESSIONALS AND DO-IT-YOURSELFERS ALIKE FOR OVER 30 YEARS.

EASY TO INSTALL AND MADE TO LAST, DUCHESNE SIDING PRODUCTS ARE OFFERED IN A WELL DEFINED RANGE OF BRANDS WITH DISTINCTIVE FEATURES.

VARIETY OF COLOURS AND STYLES

- Impressive collection of 41 colours from classic hues to darker colours
- The largest selection of stylish colours, developed in collaboration with a designer specializing in fashion and colour trends
- A large choice of profiles to match the various architectural styles
- Woodgrain finish reproducing the authenticity of wood
- Complete range of soffits, trims and accessories including decorative mouldings, modular corners and surround mouldings
- The **My Colour Universe**[®] system gives the flexibility of combining different materials (vinyl, aluminum, steel) in the same or a complementary colour in one project

DURABILITY AND MINIMAL CARE

- Preserves its beautiful original appearance because the colour is incorporated into the manufacturing of each product rather than painted on the surface
- Dent and scratch resistant
- No risk of damage caused by water, frost, insects and rot
- Easy maintenance

OUTSTANDING QUALITY PRODUCT

- Manufactured in a state-of-the-art facility
- Meets and exceeds industry standards
- ISO 9001: 2008 certification regarding the manufacture of vinyl siding

EASY INSTALLATION

- Lightweight
- Easy to handle and cut
- Complete offer of compatible trims
- Excellent for both new construction and renovations

MY COLOUR UNIVERSE[®]

Duchesne offers a unique colour match system in three complementary lines of exterior siding - vinyl, aluminum and steel. The **My Colour Universe**[®] system gives the flexibility of combining different materials (vinyl, aluminum, steel) in the same or a complementary colour in one project.
